ALTONA BASKETBALLERS DEFEAT U.S. COLLEGE TEAM

Altona's basketballers inflicted the first defeat on a world touring American men's team from Western Washington State College.

And one of the teams defeated by the visitors is the Australian team selected to compete at the Mexico Olympic Games.

Undeclared in games in Japan, the Philippines, Western Australia and South Australia the touring team was defeated 65-60 in its first Victorian match at Swan Hill against Altona on August 27.

Altona holds the Murray Valley Championship. For the past six years Altona has been coached

by Arnold Anson who has brought them from D Grade in the Churches competition to being premiers for the past three years.

As several players were not available for the match against the Americans, players from the Melbourne All Stars were included in the Altona team.

Local basketballers play-

ing were Toli Kiltuniewicz, Robert Johnstone, Max Johnstone, Brian Kerle, Barry Knights and P. Petherick.

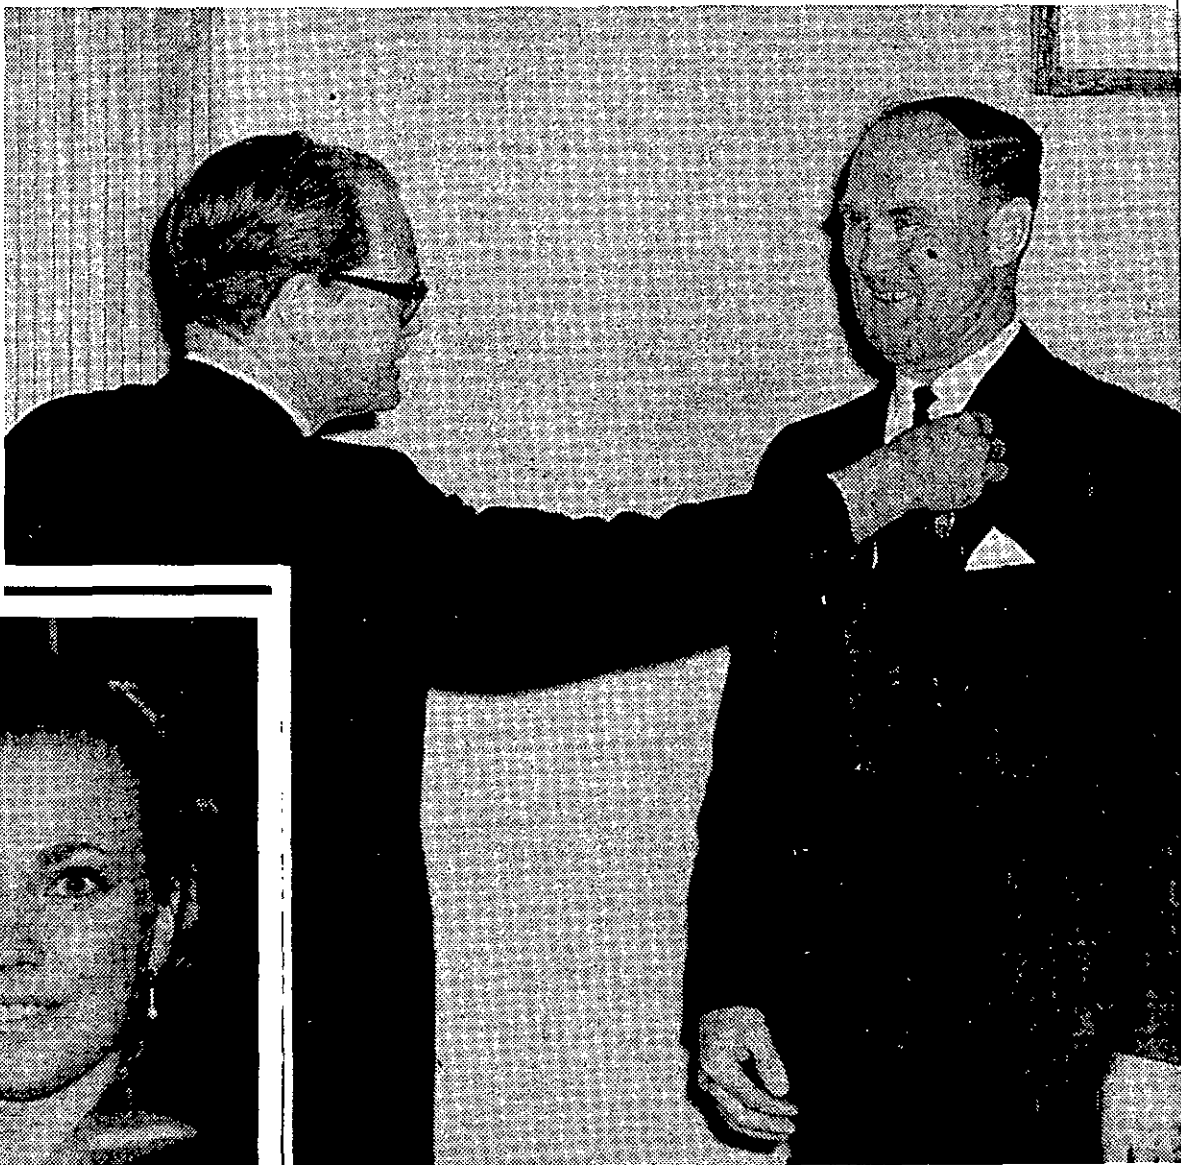

The team also included Mike Cariss, Stel Motec, Carl Rodwell, Ken Cole and Martin Van.

The game was fast and vigorous with Altona being 1 point down at half time 26-27.

A much faster and brighter scoring match developed in the second half when scores went up to 60-60. It was in the last two minutes that Altona gained the upper hand and clinched the game with a five point win.

On Monday of this week at Albert Park the Americans played and defeated the Australian Olympic team 57-53.

Shire President Installed

After his election as Shire President at the Statutory Council meeting last week, Cr. W. L. J. Crofts has the medal of office pinned on his lapel by the Hon. R. W. Garrett, president of the Legislative Council and member for the Southern Province, which includes Altona.

President presents Testimonial to H. W. Lee

The former shire president, Mr. H. W. Lee, was presented with a gold-printed testimonial recording his services to Altona at the presidential social evening last Thursday.

The evening was to present Cr. W. L. J. Crofts, who becomes the 13th president of the Shire.

More than 250 people attended the night in the civic hall.

Former councillors K. Jurga, W. Cresser, R. Watson and F. Douglas were present.

The shire secretary, Mr. J. Waters, presented Mr. Lee and his wife a portfolio of photographs taken during Mr. Lee's term in council.

Cr. Crofts then presented the citation to Mr. Lee.

Cr. Crofts said: "I feel in my own heart that what you have done in giving up this work is a great sacrifice, because I know you loved helping the people of Altona. I commend you because you have put your family first. Thank you for what you have done for the Shire of Altona."

"I know you have done it to the best of your ability."

The testimonial read: "In grateful recognition and appreciation of the dignity, perseverance and guidance unstintingly, spontaneously and diligently given as a councillor and the 12th shire president of the Council of the Shire of Altona."

The following table records your service as a Councillor:

3.12.60 to 23.8.68 —

Councillor of Shire of Altona;

31.8.67 to 23.8.68 —

Shire President — the

12th President;

25.8.62 and 28.8.65 —

Re-elected at Annual

Elections.

"To serve continuously

on a council for 7 years

and 8 months as representative for a growing

community is indeed an honour

and an accomplishment.

The Council congratulates

you on your loyalty to duty

in various capacities that

you have served in this

time, such as Chairman of

Committees, portfolios for

various functions, and representative on numerous

deputations and organisations.

"In this time the population of the municipality

has grown from approximately 14,000 to 29,000

whilst Municipal Roll Voters have increased to 12,980."

Mr. Lee replied: "Quite frankly, I'm overwhelmed."

"I would like to thank the shire president for in-

cluding me and my wife along tonight. Congratulations on obtaining the office of president. I know it is one which you will uphold.

Best wishes for the next 12 months. I am sure the shire will be more than adequately represented with you heading its affairs.

"And congratulations to the two new councillors, Richards and Stewart. I know that new faces coming into the council will do a lot towards improving the thoughts that go behind council work."

"It has always been a great honour to represent this municipality and to be its president. On behalf of my wife and myself, thank you."

CIVIC WORSHIP SERVICE

Sunday, September 8,

1968, at 3 p.m.

At Altona Civic Hall

The Ministers of

Churches in Altona

Shire have undertaken

to conduct a

Divine Service of War-

ship, Thanksgiving

and Dedication to

mark the commence-

ment of the Municipal

Year. Service will be

attended by the newly

elected Shire Presi-

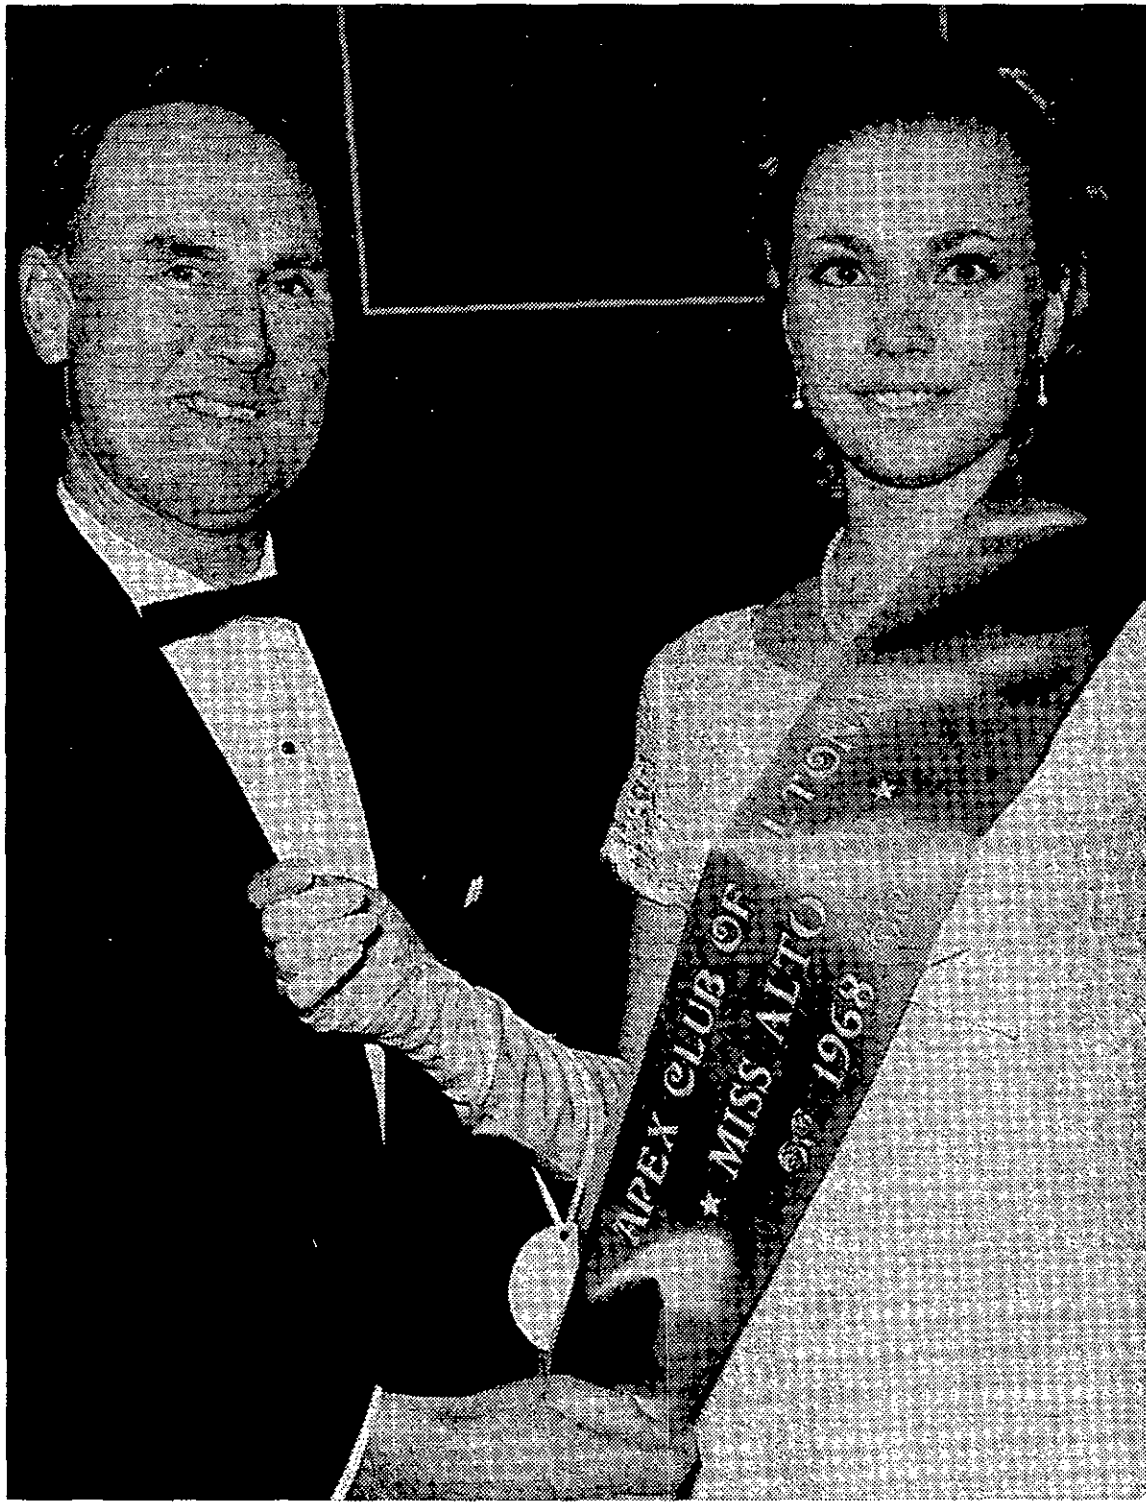

dent, Cr. W. L. J.

Crofts, and Councillors

of the Shire of Altona

and an invitation is extended to the public generally to participate in this Service of Thanksgiving and Dedication.

Susan Bishop - Miss Altona

Nineteen-year-old Susan Bishop of Hoppers Crossing, Werribee, is the Apex Club of Altona's Miss Altona, 1968. She was chosen last Friday night from 13 girls entered in the Miss Altona Quest at a ball sponsored by the Werribee and Altona Apex Clubs.

Susan, one of twin daughters, is a comptometrist who was sponsored by the Altona firm H. & L. Weaver Pty. Ltd. Nearly 600 people attended the ball in the Werribee Centenary Hall.

The girls were introduced by Rosemary Margon of GTV9.

Judges were Mr. and Mrs. T. Colebrook, executive directors of the Quest of Quests, Mrs. W. L. J. Crofts and Mrs. R. B. Comben (wives of Altona and Werribee Shire Presidents).

Altona Shire President, Cr. W. L. J. Crofts, (above) presents Susan with a sash, trophy, \$150 for a wardrobe of her own choice and \$50 for the entry fee in the Quest of Quests title.

Susan will be one of 14 girls in the State final of the Quest of Quests at Ormond Hall, St. Kilda, on Friday of next week.

EDITORIAL

LINES OF COMMUNICATION

There is no greater problem in education than that of communication.

The principal or head master has ideas which he desires to transfer to the minds of his teachers, the students and their parents. The teacher has knowledge needed by the scholars. The parents are concerned that the particular needs of their children be fully understood. It is all a matter of communication. Ideally the school that keeps its line of understanding fully open will never fail. If it doesn't it can never succeed.

For this reason we are glad to publicise the questionnaire concerning the Altona High School. The Principal must have been especially gratified that it was presented by a group of parents.

No comment is necessary on the detailed questions and answers. But in all they are a valuable form of information. Much is of course found in the Principal's report at the close of the year. That is heard however, at the Speech Day only by particularly interested parents.

All those concerned with the questionnaire and others will gain. The Principal because of his opportunity to give direct replies and the parents from factual information supplied.

A good thing should be repeated. Other schools, including primaries, could with advantage follow.

How about the operation in reverse?

Why not a questionnaire to parents?

We are sure the Headmasters and Principals would have many appropriate questions to be answered by parents. Would they be as accessible and give such satisfactory and unequivocal answers as given by Mr. Shee.

Six Altona Lads Represent Vic. in Soccer

Six youngsters from Altona soccer teams are playing this week in Victorian teams competing against players from interstate.

The national Under 16 Carnival is being played in Melbourne with teams from Victoria, New South Wales, South Australia, Western Australia, A.C.T., New-Castle and Tasmania competing.

Playing on the forward line for Victoria is Altona's Elias Jordanis.

The final of this title series will be played next Sunday before the Slavia-Melbourne game at Olympic Park.

A Victorian Under 14 side flew to Adelaide on Monday to play three games in Adelaide.

Another Altona lad, Nathaniel Little, is a member of this team's forward line.

Four Altona youngsters were in the Victorian Under 12 team which yesterday defeated a Sydney team 2 nil.

One of them, Bruce Roberts, scored one of the goals.

The other three were Alan Downes, Anthony Hamil and Robert Gramsbergen.

WHAT'S NEW BABY?

An S.S.S. Feature

Latest astonishing news is that Michael Barnett (Bus Stop promoter) will manage Russell Morris who has left "Somebody's Image" to become a solo act.

Who said Charlie Bormeo (Ronnie Charles of The Groop) will sing for Somebody's Image?

Also Gavin Anderson is expected to fill in for the Virgil Brothers' manager (who is sitting for an exam) when the Brothers do their Australian tour. Will the VB back up the Monkeys on their tour?

GO-SET'S Lily Brett will take care of the Party Machine while "Gavo Baby" is away.

New dance opening at Newcastle (NSW) will be called Bus Stop. Better get on to them Michael.

Whilst singing "Soul Man" at Sydney's "HERE" disco recently, Max Merritt said "This song makes me feel like a heel."

After being criticised for their unoriginality The Compulsion have asked The Party Machine for some original material.

Meanwhile "Piccolo Pete" (PM) is taking flute lessons from a member of the Pam Jam Big Band.

Marg Roadknight scored a well deserved 60 points on "New Faces" last Sunday night. But the thought of Australia's best female folk singer appearing on "New Faces" — well really.

Believe that The Iguana have the drummer from The Rave, now that Peter is in the army.

Party Machine acquired The Procession's old combi-van after wiping their van off some time ago.

Don't forget to send in a few votes to UZ for The Jam even though Percy was out of form.

Would you believe Jim Keays — off key at the Civic Hall last Sunday night?

Will Greg Anderson team up with Noel Thomas and Noel Smith?

Is George still in love with April Byron?

Glad to see that Steve Janicki is still on the scene but why did Ted Dellemy leave The Eternals?

The Devil's Disciples have broken up and so too has that great group, Madam Applebee. Who will I have to rubbish now? Geoff of Madame Applebee will sing for the Christopher Nicklebley Action. Showing in Melbourne at the moment is the Disney epic "Blackbeard's Ghost".

Red Cross Christmas Cards

A gay selection of Christmas cards is now on sale to assist the funds of the Victorian Red Cross. The cards have been obtained early, but already orders are so heavy that you will need to be quick off the mark to take your pick of them.

This year, for the first time, a special pack of 10 cards — two each of five designs — is available at 30 cents. The cards are delightful and the range covers all ages and tastes. In addition, there are two cards priced at 10 cents each, one showing the Three Kings and the other depicting friendship around the world.

Perforated sheets of 32 gilt-edged gift tags are also available, at 20 cents a sheet. There are eight attractive designs on each sheet.

The Christmas cards and gift tags may be obtained from local Red Cross units or from the Red Cross Handcraft Shop, 120 Flinders Street (between Red Cross Headquarters and the Central Blood Bank).

Do you drink 194 pints of beer?

Do you drink 194 pints of beer or eat 132 eggs a year?

According to the Commonwealth Statistician every man, woman and child in Australia averages out at these amounts each year.

This information came from Mr. A. D. McEachron, Merchandising Manager of Goodyear, Australia's largest tyre company, who came across the figures whilst doing a vehicle population investigation.

Mr. McEachron said that Australia now has just over 4 million vehicles on the road but it is anticipated this total will exceed 6 million by 1975.

The roads certainly will be crowded!

An excellent example of Australia's great industrial progress was the fact that the country was responsible for 5.87% of the world's total tyre production whilst she had only 2.10% of the world's car population.

Reverting back to more personal statistics Mr. McEachron said it was easy to realise why there were so many "engaged" numbers when one made a phone call, for every person on the Australian continent averaged out at 185 phone calls a year for a grand total of 2,220 million!

Mr. McEachron said the average Australian smoked 1,021 cigarettes a year, drank 230 pints of milk and polished off 93 lbs. of beef, 45 lbs. of mutton and 50 lbs. of sugar.

A YEAR OF CONSOLIDATION

Shire President Cr. W. L. J. Crofts hopes that his Council year will be a time of consolidation and development.

In an interview he repeated his remarks made at his election — "Create out of the past." The Council must build upon the work that has gone before.

In addition there must be development. He hoped first of all to see progress made in the Altona West-Laverton area. Activity in this region for the benefit of home builders will be kept in the forefront.

Next he would like to see further steps taken towards making the Truganina Reserve available for housing and associated purposes.

The Council has done and is doing all it can to expedite work in the area. At the same time it must be emphasised that much yet needs to be considered and done before practical work in the area can be visualized.

Cr. Crofts spoke of all-important finance considerations.

This being a working man's suburb, every conceivable effort is being made to keep expenditure within necessary limits.

Not until the Council Valuer's report on the Shire valuation is made on September 30 can a final assessment of rate needs be made.

HARRINGTON-MORRIS WEDDING

Mr. and Mrs. Ian Scott Harrington smile through the rear window of their bridal car as they leave the Holy Trinity Church, Williamstown, after their marriage on August 24.

Formerly Jean Ann Morris, the bride is the only daughter of Mr. and Mrs. L. Morris of Sussex Street, Seaholme.

She wore a wedding gown of white satin with guipure lace bodice. A long train fell from the waist and her elbow length veil was held in place by carnations. She carried a bouquet of white carnations and white hydrangeas.

Bridesmaids were Colleen Bentley and the groom's sister, Christine Harrington. Their frocks of lilac crepe had lace bodices and they carried posies of white carnations and mauve hydrangeas.

The groom who is the only son of Mr. and Mrs. Tom Harrington of Railway St., Altona, had the bride's brother, Ken Morris, as best man and John Green as groomsmen.

A bone coloured crimplene ensemble trimmed with brown was worn by the bride's mother and an aqua blue satin ensemble by the groom's mother.

A special guest among the seventy who attended the reception at Talbot House was the groom's 87 year old grandfather, Mr. Tom Harrington.

Among the congratulatory messages was a cable from the bride's uncle in England.

Second Art Exhibition

Following the success of the Art Show run in conjunction with the Altona Arts Festival Committee last year, Beta Sigma Phi Mu Chapter, have decided to organize another exhibition this year.

The Art Show which is to be an adult one, is to be held at the Altona Civic Hall on the 12th, 13th and 14th October, 1968 and will be open to the public free of charge.

Last year 60 artists displayed their work, including painting, sculpture, pottery, jewellery, etc. With the co-operation of artists both in and out of the Shire of Altona, Beta Sigma Phi, Mu Chapter, hope to be able to present a most interesting collection of art for viewing.

Television personality, Elaine McKenna, will officially open the exhibition at 3-15 p.m. on Saturday, October 12. People wishing to submit entries for this Art Exhibition may obtain entry forms from Mrs. A. Tyrell, 99 Queen Street, Altona.

TENNIS CHAMPION

For the second year in succession 13 year old John Trickey has won Victorian schoolboys singles and doubles titles.

This year he has carried off the Under 14 championships. Last year he was the Under 13 champion.

In the Under 14 titles at Elsternwick during the school holidays he defeated Paul McNamee 8-4 in the singles final.

He then teamed with Paul for the doubles and they won the final 8-2.

John also reached the final of the Under 15 singles event in which he was runner-up.

St. Eanswythe's Young Wives Group

The August meeting held at the home of Margaret Barrow proved a very happy night and with the help of Mary Truman some chorus singing made an entertaining change.

The slides of the World Evangelical Camp at Filey brought memories flooding back for many of the English members present.

Arrangements for the combined birthday and fund raising effort on September 10 are as follows: Working bee (cleaning and decorating) in Hall at 10 a.m. on Tuesday morning. Flowers are badly needed. Two plates of supper each to be provided by members and all to hostess.

The Spring Hat Collection from Neal's Salon, Werribee, will be well worth seeing, so bring along your friends and neighbors.

SPRING HAT PARADE
Fashion conscious ladies, and 'race goers' in particular, should not miss viewing the first showing of Neal's Spring Collection from The Salon, Bisley Arcade, Werribee. His hats are well worth seeing, and a pleasant evening and supper is assured at the Church of England Hall, Queen Street, at 8 p.m. on Tuesday, 10th September.

The St. Eanswythe's Young Wives extend a warm invitation to all ladies to join them, and so help raise funds for the Mothers Union Mission Workers.

TABLE TENNIS

B1 Grade:

Altona (D. Dixon, D. Fowler, J. Kelly) were confident they could defeat top team Centre (K. Lambert, P. Whelan, J. Wylie), following their good win in the semi-final. Indeed they raced to a creditable 3/2 lead early in the match and appeared to be in control.

However it was not to be. Experience, strategy and skill prevailed; Centre team won every rubber from that stage, and took out the premiership convincingly at 6/3.

For the winners, Peter Whelan contributed his usual consistent game, winning two singles, while Kevin Lambert, below his best form, notched only one. Veteran John Whyllie, member of the 50 and over brigade, turned the tide in Centre's favour with three fine wins and remained undefeated on the night.

C1 Grade:

Grieve Highway (G. Lewis, E. Milner, N. Wynn) and Altona North Technical School (J. Wild, T. Delmenico, K. Peake) ended a successful season playing off in the final, with honours even up to that stage. However Grieve Highway appeared to play better than ANTS under the tension of finals and won the premiership with a sound display at 6/2. Eric Milner, reliable as ever, won two singles and an exciting doubles to clinch the victory, with capable support from Gordon Lewis and Neil Wynn. Captain John Wild was best for the losers.

Bowling Begins Next Week

Preparations are in hand for the bowling season which opens shortly.

Lady bowlers of the Altona club will have the opportunity to have pennant practice on the afternoons of Thursday, September 12 and 19.

Practice will take the form of social bowls and a charge of 20 cents will be levied.

Opening Day, September 10, will begin with a luncheon at 12 noon. Members are reminded that replies are required for invitations sent out.

Next quarterly meeting for the ladies is December 2.

Nominations will be required for the position of assistant secretary who is to be elected at this meeting.

The vacancy was brought about by the unfortunate resignation through ill health of Mrs. Irene O'Donnell from the position of senior vice president.

Her position has been taken by Mrs. Mavis Anderson and Mrs. Beryl Trobe has moved to junior vice president leaving the position of assistant secretary vacant.

Altona Cyclists In Schoolboy Championship

Two cyclists from Altona schools finished second and third in the Western Zone Division of the Schoolboys Cycling Championship at Burnley on Sunday.

All three placegetters are members of the Footscray Cycling Club.

First was Neil Provis riding for Sunshine North Technical School.

Representing Altona High was 15 year old Tom McEwen who came second.

Third was James Williamson a student at Altona North Technical School.

Neil with other zone winners will compete in the grand final to decide the schoolboys cycling champion.

But Tom and James still have an opportunity to compete in the championship.

Minor place winners will ride in the repechage final on September 14 and the winner of this race also enters the grand final.

These three lads with a fourth rider from their club won the Victorian Sub-Junior Cycling Championship contested by teams of four riders on the 11 mile circuit at Euroke on August 25.

SENATOR TO OPEN FESTIVAL

Dame Ivy Wedgewood will open an International Arts and Crafts Festival at the Williamstown Town Hall this Friday, September 6, at 8.30 p.m.

The Festival will have on display, many outstanding items of Art and Crafts from all over the world.

Nations participating include Japan, The Philippines, Germany, Latvia, New Zealand, India, Holland, America, Canada and Scandinavian Countries.

In addition many local and interstate static exhibits of paintings, wood carvings, pottery, copper enamelling, marble carving and silverware will be on display, with performing groups adding colour to the exhibition.

An Art competition for school children has also been co-ordinated for the period of the Festival, which opens at 7.30 p.m. on Friday, September 6, will continue through Saturday and conclude at 9.30 a.m. on Sunday, September 8.

ST. EANSWYTHES DEB COMMITTEE

Kraft Cheese demonstration afternoon will be held at the home of Mrs. Beales, 26 Bent Street, at 1 p.m. on Wednesday, February 11. Entrance fee is 30c.

A.H.S. Meeting

Altona High School Mothers Club will meet at the school next Tuesday, September 10 at 1.30 p.m.

A tupperware demonstration will follow the meeting.

MADAM MAWER'S SCHOOL

Questions and Answers — Altona High School

Parents of scholars attending Altona High School have shown their interest in school practice. They prepared a questionnaire covering varying aspects of the school administration.

This they submitted to the school principal, Mr. G. Shee. He has now given an authoritative and unequivocal answer to every question. The full list of questions and the answers given by Mr. Shee are published below.

1. How many teachers are there at the school?
Principal — 24 men, 12 women.

2. What percentage of these have had no teacher training?

33% (11 men, 1 woman).

3. Are any teachers teaching subjects for which they are not academically qualified? Do any of these teachers lack teacher training as well?

Yes—5. Two of these lack training as well.

4. In which subjects is the shortage of trained staff most serious?

Geography, History, Mathematics and Science.

5. Would the creation of extra senior positions in Western Suburbs Schools help solve the staffing problem?

No. For instance, the only unfilled Class II vacancies for men teachers in the Metropolitan area for 1969 are in the Western Suburbs.

6. Would it be possible for teachers to be shifted from one school to another when a staffing crisis arises, with the expenses of those teachers affected paid by the Department, and with the teachers having the option of returning to their original school at the first opportunity?

Teachers can be shifted at present from one school to another if a staffing crisis arises. Expenses may or may not be paid. Teachers do not usually have the option of returning to their original schools.

7. Why has there been a new system of marking introduced? If not, what effect could this have on students from this school when presenting for a job?

The old system of "50% pass—49% fail" was mathematically neat, but inaccurate and psychologically wrong. Many now realise how wrong they were to think in terms of Pass, Fail and Averages. These reports are not meant for employers.

8. What do you consider are the most pleasing features of the school? Is the school carrying on any work which is unique to this area? What do you consider the most positive achievements by the school this year?

Good tone, children who respect teachers, loyal and energetic Mothers Club, Parents & Citizens Association and Advisory Council. The teaching of Geology—Film Appreciation and Music and special English for weak readers is comparatively rare in this district. Some fine achievements to date are several sporting successes, the Fete Nationale celebration, the winning of the Apex Public Speaking shield and yet another Gilbert & Sullivan opera.

9. What are your main plans for the development of the school over the next three to four years? Do you expect to have any major problems in carrying out these plans?

Eventually the introduction of Class A at Leaving Level if 1968 and 1969 results are a 75% pass or better and staff is stable. To introduce German or some other foreign language in addition to French at Form 3 level, and one or two extra Leaving or Matriculation subjects. Annual inter-state (inter-school) visits, Drama as a logical extension of the fine work initiated in Form 1. Building of a gymnasium and a hall. Conversion of shelter sheds to shower rooms.

10. How well equipped is the school with regard to Library, Sporting equipment, aids to teaching etc.?

It compared favourably

with most other State High Schools until the robbery.

11. Have the grounds been satisfactorily developed so far? What are the main faults at present?

The oval is at present the subject of Ministerial attention. Garden and lawns need developing, and more paved areas are needed.

12. Is there any possibility of introducing sports training for those students who are not proficient at sport at present?

This depends on the replacement of Physical Education staff and the supply of other trained teachers to take over academic subjects from the P.E. Staff.

13. Is there any possibility of evening classes being established at the school next year? If so, in what subjects and at what level?

Our first responsibility is to the day students so that

"HBA House" in Footscray

The opening of "HBA House" at 255-257 Barkly Street, Footscray, as the Footscray Branch of the Hospital Benefits Association this Friday, September 6, will further extend the facilities available to HBA contributors living in Footscray and surrounding districts.

HBA has been established in Rockman's Store in Nicholson Street for the past five years, for the payment of minor medical and hospital claims on an over-the-counter cash payment basis.

This service will continue, of course, in the new premises but the additional space will allow for a greatly expanded and speedier system covering many other phases of the Association's activities.

The new Manager of the Branch, Mr. Kevin O'Sullivan, has had considerable experience as a relieving manager in the various branch offices of the HBA, and the staff—Frances Dillon, Sandra Fitzgerald, Rhonda Potter and Moira Egginton (who are all local residents) under his control have had service in the present cash payment centre for upwards of five years.

HBA, which was established in 1934, is a non-profit Hospital and Medical Benefits Organisation controlled by an Honorary Governing Body representative of hospitals, doctors and contributors and other constituent bodies. It is the largest Hospital and Medical Benefits Organisation in Victoria, with a membership totalling 707,000 covering 1,950,000 persons. Contribution income is well in excess of \$27,000,000 per year.

Last year over 177,000 hospital claims for a value in excess of \$16 million dollars were paid by the HBA. This represented 1,628,000 bed-days.

On the medical side, over 1,250,000 claims were paid covering well over five million medical services. Included in this latter figure were over 3½ million consultations and visits to general medical practitioners.

The Footscray Office of the HBA has handled its fair share of the work and this reflects great credit on the ability of the all-girl staff who have operated in a much smaller area. For the past twelve months, this office paid over 45,000 claims over the counter for a value of \$295,504, an average of over 180 claims each working day. In addition, nearly 5,000 claims were accepted for processing by Head Office staff.

HBA House will be officially opened by His Worship the Mayor of the City of Footscray on Thursday afternoon, September 5.

CANBERRA DIARY

by Merv. Lee

Many families from interstate have taken advantage of the school holidays to visit Canberra. A number of people from the electorate have called to see me. I feel that a visit to Canberra is a necessary excursion for every child of school age. Apart from the holiday aspect a trip to Canberra can be made very educational, and I am particularly anxious to meet children who come here in parties from schools within the electorate. The main places of interest, I would suggest, are Parliament House, the Australian War Memorial, the Mint, and the new National Library. Some very worthwhile views can be seen from the top of Black Mountain, Red Hill, and Mt. Pleasant, all of which are accessible by car or by bus. Lake Burleigh Griffin is also interesting, and a ferry is available for people wishing to go for a trip on the lake.

14. Will Council of Adult Education classes be continued next year? I hope so.

15. What is the ratio of staff to students?

This is not a very meaningful concept in a secondary school. Classes from Form 3 upward are often split. Also one requires many untrained temporary teachers to produce the output of work of fewer trained, experienced teachers.

16. What percentage of the staff are academically qualified and teacher trained?

"Academically" qualified will include: (1) Those without degrees but with specialist qualifications recognised by the Tribunal, and (2) those with sufficient university subjects to have been given teacher training. There are 26 qualified trained teachers on a staff numbering 36.

17. Further to point two above, how does the percentage given here compare with the State average?

The teacher-training situation in the State is as follows:—

(a) 4-year trained (Degree plus 1st year of B.Ed.)—Few teachers.

(b) With a degree—about one-third of the total and falling.

(c) With specialist qualifications (Art, Domestic Science, Metal-work, etc.), numbers increasing.

Within the Parliament tribunes were paid to Princess Marina who died during the week. Question time is conducted daily during the sittings of Parliament, and a great deal of interest is shown by the public in this particular time of day. I asked a question of the Prime Minister concerning the development of the Melbourne Underground Railway Loop. With the tremendous pressures on State finance, this seems to me to be a logical scheme for the attention of the Department of National Development. It has been announced that Sir Henry Bolte will be coming to Canberra shortly to discuss the financial aspect of the scheme with the Prime Minister. Other questions asked this week include the establishment of an Australian

An all-day working bee-barbecue will be held this Sunday, September 8, at the Altona Yacht Club to prepare sailing equipment for the start of the yachting season on September 29. Members are asked to bring their tools of trade, wheelbarrows, cars and trailers along at 10 a.m.

National Cemetery, the proposed visit of the Soviet Army Choir, the French nuclear explosion in the Pacific, the control of electronic bugging devices, drought relief, F111 aircraft, car rental concessions at airports, and rural telephone services. Concerning this latter question, the department is still looking at the cost problems associated with the up-grading of rural telephones.

Square Dancers Attend Country Celebration

It was a tired but very happy group of square dancers who returned to Altona from Seymour on Sunday.

The first birthday celebrations for the Seymour square dance club began on Saturday night with a barbecue tea and later a square dance at Church Hall.

For those who remained overnight the fun continued with a barbecue dinner and yet another square dance, this time at the North Hall.

Beside the visiting Altona Club there were members of the Sunnyside, Box Hill and Dandenong clubs present who all joined in wishing the glamour club many more birthdays and success in the future.

Without a shadow of doubt it can be reported that everyone had a very enjoyable time.

And now a sad note must come into the picture. Altona is to lose one of their callers. Barry and Dianne Atkins are returning to Tasmania on September 13. A special farewell night will be held for them on September 12. Unfortunately, the Atkins will miss Altona's first birthday celebrations which falls one week later on the 19th.

Barry and Dianne have both worked very hard helping David Hooper get the club started and running with every sign of success. It only remains to be said that all their friends in the club are going to miss them and they are wished all the best for the future.

Camera Club Exhibits At Williamstown

Among the items on show at a major art display in the Williamstown Town Hall this coming week-end will be a collection of the best work from the Altona Club.

In view of the very high standard which has been set this art show should not be missed. The club recently produced a documentary film for a local firm. The club now is to be entertained at a film and supper evening this Friday when the completed film with sound-track will provide the high-light.

Members are reminded that the show will start at 8 o'clock prompt.

Friday, September 13, is Competition Night when the Club will be hosts to the Williamstown Camera Club. Judging of inter-club prints and slides will be undertaken by a well-known V.A.P.S. judge.

A new beginners' course will commence from Friday 20th, at 7.30 p.m. sharp. This course is being instituted as a result of popular demand. Anyone reading this who wishes to improve their camera work is invited to join and undertake the course for which no charge is made to club members. The club meets every Friday except the first in each month.

Tickets Available For Hockey Presentation

Hockey players are reminded of their Presentation Dance on Saturday, September 28, at the Civic Hall, Altona.

Tickets are available and may be obtained by ringing Mr. Alf Fry on 398-2304 or calling at his home, 25 Chiffey Avenue.

The club's special effort for a canteen of cutlery has been finalised.

Winner was S. Jensen, Queen Street, Altona (Blue Ticket F5).

TROUT OPENING

The trout nursery streams, that is those waters not open to fishing all the year, will open on Saturday, September 7.

The Director of the Fisheries & Wildlife Department, Mr. A. Dumbavin Butcher, pointed this out today after the Department had been inundated with phone calls advising that a number of local and one national publication had published an earlier date as the opening day.

The Director also reminds all anglers over 16 years that they require an Inland Angling Licence (\$2) for fishing inland waters. This should always be carried by the angler when fishing.

The Anglers' Handbook, a copy of which is supplied with each Inland Angling Licence, lists all the "nursery streams" as well as those waters open all the year. It also lists the Regulations regarding inland angling. Anglers buying licence from police stations, etc., should ask for the Handbook.

St. Eanswythe's Patronal Festival

The Patronal Festival this year at St. Eanswythe's has three features:

1. The Parish Confirmation and First Communion conducted by the Vicar General Bishop Arnott at 7.30 on St. Eanswythe's Day, Thursday, September 12.

2. The visit of the Rev. Dr. M. M. Thomas, Anglican Chaplain to the University of Melbourne, as Special Preacher at the 9.30 a.m. Communion Service on Sunday, September 15 — Patronal Festival Sunday — followed by a picnic lunch with old friends, invited back for the day on Logan Reserve.

3. The Parish Deb Ball at the P.R.A. Hall, cnr. Millers and Kororoit Creek Roads, on Friday, September 20, at 8 p.m. Tickets are \$3.50 single and \$7 double and may be obtained from Mrs. Beales, 398-2608, or Pat Nevitt, 398-1114.

Attendance at all of these activities is, of course, open to all Anglicans and it is hoped that Parish Fellowship will be increased by them.

Altona High P. & C. Meeting

The quarterly meeting of Altona High School Parents and Citizens Association open to all parents and interested residents will be held next Monday, September 9, at 8 p.m., at the school.

A special meeting of committee members will commence at 7.30 p.m. on the same night.

Cards and Bowls For Elderly Citizens

A pleasant outing is assured card players and bowlers who attend the evening at the Altona Elderly Citizens Club in Sargood Street, tomorrow night, Friday, September 6, commencing at 8 p.m.

For an entrance donation of 35 cents, a door prize, good games' prizes and supper is provided.

Cards also are played during the afternoons of Tuesday and Thursday of each week commencing at 1.30 p.m. Donation is 10 cents.

On Wednesday of last week members had their monthly birthday party. Eldest member at the Birthday table was Mrs. Wiles who had the honour of cutting the cake.

Entertainment was provided by fellow club members — the choir presented the Black and White Minstrels. Mesdames Butler, O'Neil and Drysdale sang Baby Doll. Individual items were given by Mrs. Woodyard and Mrs. Edwards, pianists were Mesdames Hope, Woodyard and Benson and the happy afternoon was compered by Mr. Hansen.

GUIDES AND BROWNIES

A Jen-Va-Gem Stone demonstration has been arranged for September 18, to be held at the home of Mrs. Faichney, 204 Queen Street, Altona, at 8 p.m.

Admission is 30 cents with L.A. members providing supper. L.A. members please note that prior to this demonstration there will be a brief meeting at 7.30 p.m.

The date for the Annual Fete has been finalised and is October 5. As usual there will be a Best Dressed Doll competition, 5 cents to enter and sections are as follows:

Best Bride Doll, Teenage, Best Knitted Teenage, Best Doll, Best Knitted Doll and also best novelty. Start now and avoid that last minute rush!

L.A. members who were to meet at Mrs. Goldies, 75 Civic Parade, on September 11, at 1.30 p.m. to discuss plans for the fete please note the new date of the meeting. It now will be held on the following Wednesday, September 18, at 1.30 p.m.

C.W.A. Meet

Altona Branch of the Country Women's Association will hold a general meeting at the Homestead, 128 Queen Street, Altona, on Monday, September 9.

The competition for this meeting will be for the best hat made from kitchen equipment.

Members are asked to remember the market stall.

Meeting Of Altona West Mothers

The Altona West State School Mothers' Club will meet at the school on Thursday, September 12, at 8 p.m. This night will take the form of bring a gift and buy a gift. All mothers are invited to attend.

Seaholme School Mother's Club

The next meeting of the Seaholme State School Mothers' Club will be held at the school on Monday, September 9, at 1.30 p.m. All mothers welcome.

Woodcarving At Arts Festival

A former resident of Yarraville, Mrs. Leopoldine Mimovic, known throughout Australia and overseas for her exquisite woodcarving has agreed to exhibit a number of her works at the International Arts and Crafts Festival in the Williams-town Town Hall this week-end.

Mrs. Mimovic migrated to Australia from Austria, 12 years ago and has been commissioned to carve many religious works.

In addition to woodcarving, other forms of art will be on display. In particular local Williamstown artists are submitting exhibits and well-known Australian landscape artist Lindsay Pormear is forwarding from The Kimberleys and Port Headland in Western Australia, paintings which he has recently completed.

An extremely interesting exhibit in marble from Dr. Calanda, will create another feature of the Festival.

Exhibits from countries such as The Philippines, Germany, New Zealand, USA, Japan and many others add great depth and variation to the Festival which will be opened by Senator Dame Ivy Wedgewood on Friday evening at 8.30 p.m.

Performing displays have been arranged for the period of the Festival and taking part will be Williamstown Light Opera Co. and various National Singing and Dancing groups. An Art Competition for School Children also forms part of the overall format.

The Festival will be open from 7.30 p.m. until 10.30 p.m. on Friday, 9.30 a.m. until 10.30 p.m. Saturday and 10.30 a.m. until 9.30 p.m. Sunday.

The Footscray and Williamstown Jaycees, Co-Sponsors of the Festival, consider there should be a greater effort by local communities and groups to assimilate and understand the cultures of countries from which a great number of our migrant families come and have arranged this Festival as a tangible start towards complete assimilation.

Fathers for the first time on Father's Day

Lucky new fathers who were fortunate to have their wives present their first baby on Father's Day at the Footscray and District Hospital were presented with gifts by a very well-known father — Mr. Ted Whitten.

This famous sportsman and father has been a continuous supporter of this Hospital and is always available to give his help when needed.

The new fathers received gifts which included nappies, bath tubs and instructions from Midwifery Nurses in baby care.

The eldest father also received attention.

All Welcome At Basket Luncheon

All ladies interested in the work for spastics are invited to the Altona Spastic Aid Committee's Basket Luncheon at the Homestead, 128 Queen Street, Altona, next Tuesday, September 10, at 12 noon.

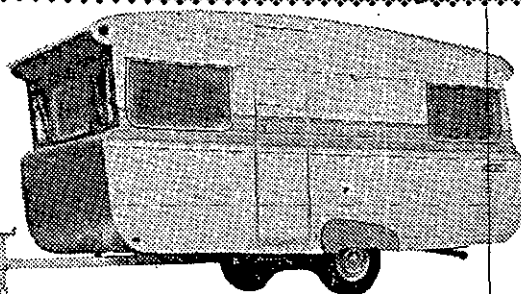

This special meeting will be followed by a Beautiful demonstration by Mrs. Sylvia Liversidge at 1.30 p.m. Ladies not attending the luncheon are welcome to the demonstration.

Entrance donation is 20 cents. The committee is to provide the sandwiches, cakes, etc., for afternoon tea.

Altona North State School Mothers' Club

The next meeting of the Mothers' Club will be held at the school on Monday, September 9, at 1.30 p.m. Will members please note this date as owing to the school holidays no notices can be issued.

Tickets are now available for the Annual Dinner Dance at the Central Hotel, on Saturday, October 5. Ticket sellers are Mrs. Cox, Mrs. Downes, Mrs. Bevan and Mrs. Baines.

ALTONA NORTH TECH. STUDENTS DEMONSTRATE WEIGHTLIFTING PROWESS

Mr. Bill Hodgson, physical education instructor at Altona North Technical School, has been holding weightlifting classes for the schoolboys on a week night after school. Above he stands with the boys as they demonstrate their prowess with the weights.

Altona in Soccer Cup-Tie

Altona soccer players played their best game ever at St. Albans last Saturday but even after extra time of 15 minutes each way the result remained a draw — 1 all.

What a game! It had everything. Excitement was at fever pitch, and hearts missed beats as over 500 people roared and yelled themselves hoarse.

Both sides rose to the occasion to provide entertaining soccer as it should be played.

Altona's team was — I. Roberts, C. Copley, J. Balish (Capt.), B. Ormerod, F. Kolliger, K. Vanderpoel, D. Cook, B. Ray, J. Sharp, S. Herman, B. Stevens and C. Karamajos.

Altona had the advantage of the breeze and made full use of it.

Kolliger and Ormerod prompted the "Maroons" along, the forwards interchanged in sweeping fashion and the Saints were in trouble.

Sharp was unlucky on 2 occasions not to score and Steve Herman swept a pass from "Sharp" into an empty goal only to see the young keeper slide back to make a miraculous save.

Altona was not going to have it all their own way. St. Albans are good footballers.

Man to man stuff gave Balish, Vanderpoel and Copley a chance to shine, and shine they did.

A real battle developed as the pace was heated up. Stevens and Cook tried to break through and Sharp's header from the final pass missed by inches.

Kolliger and Ormerod were the key men for Altona. With good understanding they schemed many moves, some of which deserved a little more reward.

St. Albans tried a few long ranged shots, however, Roberts dealt with these comfortably. His long kick-outs were not much advantage. Steve Herman could not use his speed on this slippery and rather short ground.

At the interval there was no score.

Could Altona keep the strong grip they had on this game?

Better finishing and they could have been two goals up on St. Albans at half time.

In the second half St. Albans had the help of the breeze and as the game resumed they used it to full advantage.

Vanderpoel and Copley cleared dangerous situations. Ray tried to bring Altona back into attack. Stevens had a chance to smack one in, however, he mistimed his shot and it trundled past the post.

The Saints scampered back down field. Ian Roberts pushed out to Copley Craig headed out, but the ball pass pushed straight back in and over Roberts outstretched hands for the first goal to the Saints.

Altona brought Karamajos into the team and he, along with Captain Balish, fired new life into the "Maroons".

Copley moved on to the right wing and Herman was making good headway up the middle again.

The young keeper thwarted the Altona forwards as he dived headlong to scramble the ball away for a corner. With continuous pressure left back Balish was moving well up field. he charged in on goal and headed a great try for goal.

It beat the keeper and was almost over the line but the full back for Saint Albans handled the ball back out of goal. Altona supporters held their breath as Keith Vanderpoel came up to take the resultant penalty kick.

He must have been the calmest man on the field. Taking his time he placed the ball on the spot, stepped back and blasted the ball high into the net for the equaliser.

The game did not lose one bit of its interest. The struggle was great. The referee was equal to the occasion. Good sensible decisions contributed to the crowd pleaser.

The final whistle blew with the scores equal.

EXTRA TIME!
As is the rule in Cup games, fifteen minutes extra time each way.

How could the players muster enough strength for another half hour's play.

Stockings rolled down, sleeves rolled up, they tore into each other.

This was when Harry Sutherland's coaching paid off.

The Altona boys were much fitter.

Sharp had a great shot which had goal written all over it. However, it hit the bar and rebounded back into play.

Kolliger and Ormerod never let up for a minute.

Herman still managed a gallop. Cook tried his hardest, Karamajos kept clearing the ball upfield, Copley was still flying but goals

were hard to come by. Neither side could score the all important goal and the game finished to the plaudits of the crowd who stayed glued to the ground right to the final whistle.

This draw means Altona will be playing at Kim Reserve on Saturday for what we hope will be a repeat of last week's game.

With the home ground advantage Altona might win.

If they do Altona will play Coburg on Sunday at Coburg.

The prize for winning these two games will be a fifth round tie at Olympic Park against State champions Croatia.

Also Soccer Club v Croatia sounds good and the players are very keen to make this game.

The answer is in their own hands. Here's hoping Altona wins both games this weekend.

Saturday: Altona v St. Albans.

Sunday: The winner of Saturday's match plays Coburg at Coburg. Kick-off at 2.45 p.m.

SEAHOLME IN DARTS FINAL

Seaholme, Division 1 champions, will play Rovers, Division 2 champions, for the darts premiership.

Seaholme only finished two points ahead of Bristol and Rovers lost their unbeaten record in their last league game against Melton.

This season has proved to be one of the association's best as not many points separated the clubs after the final round.

The doubles final will be contested by C. Neal and C. Halton of the Rovers and N. Bennett and R. Gilman of Yarraville.

The Singles final will be a repeat of the 1966 title between D. Stirk of Bristol and C. Mannering of Commercial.

The wooden spoon game is between Newport and Yarraville C.

Not to be forgotten are the ladies whose finals, doubles and singles, and mixed doubles will be played on Wednesday, September 11, at the Altona Working Men's Club.

Final ladder for Division 1 is

Seaholme	210
Bristol	208
Yarraville A	155
Deer Park	148
Commercial	139
AWMC 'A'	134
Pioneer	128
Goodrich	100
Newport	97

Top four in Division 2 were:— Rovers, ICI, Melton, and Bridge. Bottom of this ladder is Yarraville C.

Under 18's Win Semi-Final

In an extremely exciting battle at Newport on Sunday, Altona 5-12 defeated West Newport 5-9.

The game commenced in showery conditions with Altona kicking against a moderate breeze.

Calaz found Thompson with a neat tap-down and Altona were quickly into attack. Strong play by West Newport turned defence into attack and they posted their first major for the game. West were soon into attack again, despite the efforts of Gonde, Zapart and Male, and with this came their second goal.

The Altona boys at last began to settle down and smooth teamwork gave Stewart several chances, in front of goal. Poor kicking resulted in only two behinds. A breakthrough came when Patton broke away from the centre and passed to Stephenson who brought up two flags.

The second quarter began with heavy rain falling. Altona's first chance with the breeze was hampered as the slippery conditions congested play. Oram and Chalmers were giving their best on the forward line but the greasy ball did not help them at all. Flett burrowed through a pack, spun on to his left foot and evened the scores with a goal.

Brennan was giving great drive in the ruck and after a strong mark on the forward line he put Altona in the lead with a fine goal.

At this stage the Altona boys relaxed and this proved disastrous as West soon burst forward to score a

goal and two behinds, leaving the half-time scores Altona 3-6, West 3-7.

The third quarter commenced with Pateras now in the key forward position. Altona attacked many times in the third quarter but more inaccuracy resulted in one major from four shots.

West were unable to match Altona in general play but greater accuracy on the forward line gave them two goals from two shots.

The last quarter proved to be a real thriller as Altona forced the ball constantly into attack. Calaz and Patton struggled to get the edge around the packs.

With Altona 3 points behind, Stewart marked 15 yards out and the crowd stood on its toes as a wobbly kick found its mark. Altona were now three points ahead and with a few minutes of strong defence were able to hold this lead to the end.

BEST: THE WHOLE TEAM.

The Altona boys now move into the Grand Final next Sunday week. Please don't forget to come along and give them the support they really deserve. Also don't forget to get behind their current "\$20 Special effort" which closes this Sunday.

Players are reminded that there will be no training Wednesday and that Friday's training will consist of a cross-country run.

JUNIOR SOCCER

Altona Under 14s played Northcote Hellas last Saturday in the Victorian Cup Semi-Final at Princes Park.

And what a game it turned out to be. Altona took the lead after 15 minutes play when Spencer shot from far out giving the keeper no chance. Play went from end to end but Northcote were playing the better soccer and kept Altona at full stretch. I. Hughes was playing a fine captains game at centre half back for Altona and Allsop and G. Gilpin played hard to keep Northcote out.

At half time Altona led 1-0. In the second half Altona were in plenty of trouble as their opponents plugged away after a goal then in one of their attacks an Altona player handled in the Penalty area and this gave Northcote the equaliser and the confidence it needed and in the next ten minutes they had two more goals to lead Altona 3-1.

With eight minutes to go it looked as if Altona were out of the Cup. Then they sprang to life when Micheski broke through and shot for goal only to see it hit the cross, but N. Little was there to head it home to make it 3-2. Altona played their best soccer of the day as they strove for the equalizer and with 3 minutes to go Micheski shot again and gave the keeper no chance to level the score.

The players went wild with delight and so did the Altona spectators they they shouted team on. Altona were unlucky not to score again just before the end. Final Whistle went with the score level, then extra time was played but there was no further score so there will be a replay.

Best for Altona: A. Spen-

PMG Introduces New Type Aerogramme

A new type of aerogramme with three sealing flaps will be introduced on October 1.

The Postmaster-General, Mr. Alan Hulme, said that provision of three sealing flaps would permit the aerogrammes to be closed on all sides before posting. This would ensure greater privacy for the contents and also facilitate mail handling processes on high speed equipment.

The new aerogramme will go on sale initially at general post offices and other large post offices and, as stocks of the current form become exhausted, will be available at all offices.

Mr. Hulme said that the British Post Office was adopting the same type of aerogramme and it was expected that other countries would follow suit.

"B" Grade

Altona played the last home-and-home match on Saturday at University.

University attacked from the first whistle and with a hard surfaced ground to assist their swift moves down the centre, a ball smashed past Heather Harley within the first 10 minutes.

Altona seemed lethargic and were slow to the ball. Playing Carol Ralf and Gail Sutherland failed to make any impression on University.

Time and again the wing and centre forward crashed through the Altona defence to bring the score to 3-0 at half time.

Kathy Garlick did wonderful work and scored the first, second and third goals for Altona. University still attacked and put another two goals through a frustrated goalie.

Kris. Harley played a great game as centre half, and Carol Ralf cleared the ball on several occasions by clean hard hitting shots. Altona came off disappointed losers to a score of 5-3.

Goals: Kathy Garlick 3. Best: Kris. Harley, Kathy Garlick, Alison Scherman.

"C" Grade

Altona defeated I.S.C.F. 3-1 in a poor match with the Altona forwards nonchalant towards the game. Except for the backs I.S.C.F. would have easily defeated Altona. I.S.C.F. had many chances of scoring as the play was mainly at their end, but did not manage to score against the elusive Altona backline.

After a pep talk at half time, Altona went straight into attack after the centre bully and managed to score through Pam Jeffs from open play and good co-ordination. Pattern of play changed and Altona became the attacking force. Sabine Strohl scored for Altona from a scrambled bit of play.

I.S.C.F. not to be overlooked came through and scored a quiet goal, but this was not enough for them to win. Sabine Strohl scored Altona's third goal from a "lone run" down the field. Altona came out easy winners in a scrappy and low standard game to keep their position in "C" grade for the next season.

The girls would like to extend their thanks to Brian Gardner and John Grant for their help during the season. Goals Pam Jeffs 1, Sabine Strohl 2.

Best: Sabine Strohl.

Hockey Club Has Second Chance For Final

Notwithstanding having the double chance, Altona B North hockey team set out to put promotion into A reserve beyond doubt by winning their first semi-final game. Fairfield had other ideas and defeated Altona 2 goals to 1.

Altona started with a great burst and had Fairfield worried with their fast play-on game; but goals win matches, so that although Altona played well and probably had the best of the field play, the failure to convert scoring opportunities was their downfall.

The usually reliable penalty corner trio of Bartlett, Baillie and Hunter had five opportunities in the first half alone but were unable to penetrate the Fairfield defence.

At the other end of the ground Fairfield converted a penalty corner and a penalty flick to lead 2-0.

The game became a dogged battle now with Altona trying desperately to bridge the gap. Their efforts were rewarded when Peter Hunter picked up a rebound from a penalty corner and nearly knocked the back out of the net with a sizzling goal. Ron Smith sent home another but this was disallowed and the game was over.

More confidence and aggressiveness will be required of the forwards if Altona is to defeat Geelong in an equally tough game next Saturday.

Playing as a substitute for one of the two regular players who were away interstate, Eric McCauley, although injured early, tried desperately for 70 minutes. Supporters for the team were sadly lacking for this match and they were greatly missed.

Your enthusiastic support could mean the difference between success and failure next week. So let's see the whole club there yelling their heads off, it can be and should be a successful afternoon.

TABLE TENNIS WINTER PENNANT

Higher grade teams had relatively easy victories in the 1968 series of semi-finals conducted at the Western Suburbs Table Tennis Centre, Garden St., Williamstown, last week.

It was left to the lower grades to infuse the thrills and tension of close and well fought out matches. Of particular merit were the contests on C1, D4 and E2. In these grades the results were in doubt until the last point of the last set, and winners and losers deserve commendation for the manner in which the semi-finals were played.

The C1 semi-final was a game of fluctuating fortunes between Altona North Technical School, represented by school teachers John Wild, Ken Peake, Terry Delmenico. Opposed to them Footscray Youth Club (John with Lyle Besanko, Brian Rodger, Robert Gordon).

Altona North struck brilliant form early and led 5-1, and looked certain winners at that stage. However F.Y.C. rallied and won 4 in a row to equalise at 5-5. In the vital eleventh rubber, John Wild and Brian Rodger staged a real thriller, with Wild winning 21-13, 16-21, 26-24. Altona now move on to the final this week. Semi-final scores, Altona 6/16/557 to 5/15/547.

Altona Workingmen's Club (Trudy Reissmann, John Hayes, Arthur Raymond) figured in another exciting contest in D4, with the opposition again coming from Footscray Youth Club (John Bacsik, Roman Rewuk, George Holowko).

With both teams in fine form, games went evenly until they levelled at 5-5. R. Rewuk clinched the game for F.Y.C. with a sound win over Trudy Reissmann, as she played really well, winning two singles and one doubles despite a recent illness and a spell in hospital. Final scores: F.Y.C. defeated A.W.M.C. 6/14/464 to 5/13/480.

In B1, Footscray (L. Fox, R. Ross, M. Siwek, D. Fox) met up with Altona (D. Dixon, D. Fowler, J. Kelly) in irresistible form, and the issue decided at 6/2 in favour of Altona. D. Dixon won three for Altona, who now meet Centre team in the final.

Another Altona team (R. Neville, Stephen Hayes, Helen Hayes) enjoyed a successful season, but found Footscray (Ken Bradie, Ken Fraser, John Rennie, Herb Dettelsen) too accomplished in the semi-final. Bradie and Fraser were untroubled on the night, and assisted Footscray to an easy 6/1 pathway to the final.

WESTERN SUBURBS DARTS

PEN POINTS ON CLUBS
COMMERCIAL HOTEL
(Werribee)

Werribee has had at least one league side since Nev. Jessup formed the first in 1964 and of the original six players four are still with the club namely George Hinckey, George Straight, Mike Phelan and of course Nev. Jessup. Mine host of the Commercial, Ron Lamaro put both money and time in making the three board dart area one of the best in Victoria. Since joining the old Altona and District darts league in 1964 the club has had one mem-

ber, namely Nev. Jessup on the committee in one capacity or another.

Nev. Jessup record since joining the league is individual runner-up 1963, Committee member since '64, Vice President 1966, President 1967-68. Captain of W.S.D.A. v. Metro 68, Captain Werribee Combined v. Altona and District '66, member of Victorian Darts Assoc. 68, hails from Ipswich, England, proudest moment being presented to Altona Shire Council 1968. Bob Barker the present Captain has represented the inter league side a number

of times, reached the semi final of the state doubles championship 1968. WSDA Committee member 1968, hails from Horwick, England.

Colin Mantering has an excellent record as a player and former committee member, individual winner 1966 again in final 1968, reached semi final Victorian doubles 1968, many times league representative, hails from Warrington, England, and a big rugby fan.

George Straight is more a steady player rather than spectacular but is a wonderful team member and very loyal to the club.

The financial side of the club is in the very capable hands of Alf Spinks who, like his son-in-law Straight hails from Birmingham England. The Commercial have won the Werribee Charity Shield in 1966-67 and were the "House of Darts" 1967.

BRIDGE HOTEL (Werribee)

Team formed 1966 by Harry Gethings. The players: Ron Farnes a good and often brilliant player who will get even better.

Charlie Chamberlaine, a good steady player.

Ginger Miller, hard club worker and steady dart thrower.

MAX MERRITT AND THE METEORS

(By Ron Coleman)

Gerry Stewart's Comeback

About two years ago I went to the Victoria Club in Melbourne to witness the funeral of an unknown Altona rhythm and blues group.

The unknown group called (would you believe?) The Unknowns was playing, for the last time, to a rather select audience of Melbourne book-makers and businessmen.

Four boys had been together for eighteen months and no doubt they could tell you now that they gained considerable musical experience in that short time.

Admittedly the work had not always been there but the enthusiasm was, and there were times when The Unknowns played at the Youth Hall for as little as \$3 each. Then every now and again the well paid job would crop up and The Unknowns would gain fresh inspiration.

But this could only go on for so long and finally, after much discussion, the four boys who had comprised The Unknowns decided to go their own ways.

One of the guitarists was Gerry Stewart, a tall streak of musical talent who was keen to start a folk group as soon as The Unknowns broke up. This he did, and after that I never heard or saw much of him apart from one appearance at the "Rifle Club" Hotel in Williams-town.

But today Gerry is part of a very successful singing trio called Los Gitanos.

LOS GITANOS

Los Gitanos is Spanish for The Gypsies and the trio, that Gerry is a part of, concentrates on Spanish style music.

On a pamphlet promoting the trio, John Newman of "Tikki and John's Theatre Restaurant" describes Los Gitanos as "three people with contrasting musical backgrounds, brought together when offered a last minute 'fill-in' spot on a live television show. The product of their individual talents resulted in a sparkling new sound. So they disappeared for six months to build a repertoire of carefully selected numbers, arranged and rehearsed to ultimate perfection."

John Newman goes on to describe the music of Los Gitanos as "hot Folk, Pop, Latin, or even Spanish, but a magical combination of all, blended into a new and very different sound."

No doubt you are anxious to know the line-up of the trio so I will start with Gloria Kerr, 22, because I'm infatuated by her beauty and according to Brian Gardner she has a great voice. Before joining the group, Gloria was virtually unknown in the entertainment circle because she was busy studying for her Diploma of Art. Years of classical voice training have paid off and she is destined for a bright future. Gloria is the lead vocalist and best looking member of the group.

First guitar and vocal harmony is provided by Peter Collins, 21, who holds an Associate Diploma of Music. His knowledge of Flamenco, classical, jazz and Latin American guitars has influenced the group's material.

Grand-daddy of the group is Gerry, 23, who has had a long association with Flamenco, Folk and Rock.

Gerry will be remembered as one of Altona's original swingers. He was often seen at the wild jam sessions frequented by such Altona greats as Duncan Mackellar (Henchmen), Doug Osborne (Henchmen), Peter Hodges (clarinet), Brian Gardner (Kult), Bernie Hearne (recorder), Bill Cambridge (trumpet), Ian McFarlane (guitar) and Robby (maracas).

Yes, Gerry has been around for a while and he certainly deserves a break.

You should be seeing the Los Gitanos on "Bandstand" soon and if you watch them Gerry is the bloke with the ear-plug.

As for the other three members of The Unknowns—Steve Janicki is now with The Eternals, but who knows what Norm and Robby are doing?

If they have had Gerry's luck they are probably making their fortunes somewhere in this world.

What's New
Baby?

Can't wait to see the group they are all talking about—called The Big Shop. The line-up comprises remnants of Jeff St. John and the Yama and The Changing Times.

The Jam have asked me to convey a message of thanks to Manuel of The Erosions and The Devil's Disciples for the loan of equipment.

Ray Evans (Wildside Promotor) helped reform the Bay City Union recently.

Peter Ferne seems to be spreading his leaves. Why all the fuss about Zoot? They've been to Melbourne before, I saw them at Wild Side.

Buddy England's record (a Jim Webb composition) has been released in England.

Wonder how Cheryl Grey is going in London. Latest rage around Melbourne pop scene is an appearance on Graham Webb's "Blind Date".

SYDNEY SCENE

Max Merritt and the Meteors earned something like \$4,000 during a three week stint at "Here Disco" recently. They were a smash hit here and everybody was sorry to see them go.

Max and the boys have been replaced by the Ram Jam Big Band.

Harry Widmer back on the pop scene. Saw Phil Jones performing at Monty R.S.L. Youth Club. Phil will need a stage act if he wishes to go to Melbourne.

Sydney scene getting bigger all the time but I can't see it taking over from Melbourne.

Saw St. George thrash finals over the weekend. It wasn't a bad game but rugby league would never compare with the spectacle of Australia rules.

A wild Sydney group is called "Starving Wild Dog."

Another new group on the Sydney scene is the Maple Lane who want to record soon.

Cherokees to
Back Monkees

For some time now everybody has been wondering which Australian group would back the Monkees.

It is now known that the Cherokees will fill the bill and this must be a great thrill for them.

Wonder if Lynne Randall or Carol West had a word in the Monkees ears.

Next
Week —

The Elliott Gordon Group, who are back on the scene after an absence of three months. Next week this group will be featured in an exciting article.

Pat Carrol to
Appear on U.S.
TV?

Following Lynne Randall's success on the Joey Bishop Show in the U.S., Carol West has arranged for Pat Carroll to appear as guest artist on the same show.

NEWPORT
DEFEAT
MAIDSTONE IN
FOOTBALL
SEMI-FINAL

Heavy rain for 10 minutes before the start of the Western Suburban Football League semi-final, Maidstone versus Newport made the surface of the playing arena rather greasy and looked likely to mar the standard of football.

However, the ground dried out and a very exciting game eventuated.

Newport took 45 marks and were awarded 46 free kicks whilst Maidstone had 38 marks and 41 frees.

Best players Newport: Lynch, Peterson 1, Ackerly, Martyn, Brodie 4. Other goal kickers: McNamara 1, McCullum 1, Johnston 1, Bliss 1.

Best players Maidstone: J. Knott 2, P. Delaney 1, L. Challis 1, D. Keenan 3, G. Turner, G. Rankin, J. Wilson. Other goal kicker: L. Syme 1.

After the game Newport captain and coach George Mazouris stated "I was very pleased with the great team effort by all Newport players. It was the first time in weeks that we were at full strength and we needed the run in order to improve for the grand final.

Our jubilation with today's win is tempered by the knowledge that we still have to win the big one on September 14.

Next week's game at Newport Oval: Saturday, 2.30 p.m., Open Age, Maidstone v. West Newport. Sunday, 2.30 p.m., Under 18, West Newport v. Newport.
